COURSES

Italian

Welcome to Pronunciator's Italian Courses!

Start your language journey by selecting an option from the course menu on the right.

If you're an Independent learner, then the Main Course is right for you, with its flexible organization and fun extras like movies, music and more.

But if you prefer a more structured approach, then select one of the multi-week Learning Guides.

You can also jump into the Main Course and learn with Postcards, which are guided and don't require a microphone.

Consult the Grammar Reference as needed to master grammatical rules and nuances.
